Delta Dental PPO plus Premier Network

You will get the best value from your Delta Dental Plan when you receive your dental care from one of our PPO (greatest savings) or Premier network participating dentists:

- ✓ **No Balance Billing:** Because participating dentists accept Northeast Delta Dental's allowed fees for services, you will typically pay less when you visit a participating dentist.
- ✓ **No Claims Paperwork:** Participating dentists will prepare and submit claims for you.
- ✓ **Direct Payment:** Northeast Delta Dental pays participating dentists directly, so you don't have to pay the covered amount up front and wait for a reimbursement check.

To find out if your dentist participates in our PPO or Premier network, you can: call your dentist, visit our website at nedelta.com, or call **Customer Service at 1-800-832-5700**.

Claim Process for Participating Dentists

Your participating dentist will submit your claim to Northeast Delta Dental (claims for any of your covered dependents should be submitted under *your* Subscriber ID number). Northeast Delta Dental will produce an Explanation of Benefits (available through our Benefit Lookup site at nedelta.com) detailing what has been processed under your plan's coverage. You are responsible to pay any outstanding balance directly to the dentist.

Non-Participating Dentists

If you visit a non-participating dentist, you may be required to submit your own claim and pay for services at the time they are provided. Claim forms are available by calling Northeast Delta Dental or visiting nedelta.com. Payment will be made to you, the Subscriber, unless the state in which the services are rendered requires that assignments of benefits be honored and Northeast Delta Dental receives written notice of such assignment. Payment for treatment performed by a non-participating dentist will be limited to the lesser of the dentist's actual submitted charge or Delta Dental's allowance for non-participating dentists in the geographic area in which services are provided. It is your responsibility to make full payment to the dentist.

Predetermination of Benefits

Northeast Delta Dental recommends that you ask your dentist to submit a *pre-treatment estimate* for any dental work involving costly or extensive treatment plans. Predeterminations helps avoid any potential confusion and enable us to help you estimate any out-of-pocket expenses you may incur.

Coordination of Benefits

When an individual covered under this plan has additional group coverage, the Coordination of Benefits (COB) provision described in your Dental Plan Description booklet will determine the sequence and extent of payment. If you have any questions about COB, please contact our **Customer Service Department at 1-800-832-5700**.

Identification Cards

Two identification cards from Delta Dental will be produced and distributed shortly after your enrollment. Both cards are issued in the subscriber's name, but can be used by everyone covered under the program.

Health through Oral WellnessSM (HOW)

3. SHARE YOUR SCORE WITH YOUR DENTIST

The next step is to share your results with your dentist at your next dental visit your dentist can discuss your results with you and perform a clinical version of the assessment. Based on your risk, you may be eligible for additional preventive benefits!*

**Additional preventive benefits are subject to the provisions of your Northeast Delta Dental policy.*

Double-Up MaxSM

In the PPO plus Premier plan only, enrollees can double their calendar year maximum by earning an additional \$250 per year for use in future benefit periods. Here is how it works:

- To qualify for the carryover, an enrollee must have a claim paid for either an oral exam or a cleaning during a calendar year (a focus on prevention), and their total paid claims cannot exceed \$500 during the same calendar year.
- The carryover will accumulate for each year of qualification up to an amount equal to the plan's original calendar year maximum. If, for example, the calendar year maximum is \$1500, enrollees can ultimately achieve an annual maximum of \$3000.
- This feature does not apply to orthodontic benefits.
